

What is EYH?

Expanding Your Horizons is a national non-profit network that hosts one-day conferences to encourage young women to pursue science, technology, engineering and mathematics (STEM) careers. Through locally-organized EYH networks, the EYH program provides STEM role models and hands-on activities for middle school girls. The ultimate goal is to motivate girls to become innovative and creative thinkers ready to meet 21st century challenges!

Additional volunteer opportunities available. We are also recruiting workshop leaders. Visit our website for more information or email us at:

nocoeyh@gmail.com

**now accepting
donations at all
levels for 2019! Be
a part of EYH!**
